## A Blessed Family - Your Covenant Birthright

# A Daily Family Prayer

This is the day the Lord has made and we will rejoice and be glad in it, not sad about it. As for me and my house, we will serve the Lord. You alone are the Great I Am that I Am and You are everything we need! Give us wisdom and discernment this day and every day, so we walk in obedience to your Word in love, joy, peace, faith, dominion, authority, power and hope for we are the righteousness of God in Christ Jesus.

I decree the blessing of Abraham rests, rules and abides in our lives, so we always prosper. We are the head and not the tail, above only and not beneath. We are blessed coming in and going out. Lord, You are our Shepherd and we shall not lack any good thing. As we seek first Your kingdom and righteousness, You provide everything we need and for this, we are thankful. You are our Jehovah Jireh, Who sees ahead of time what we need and You have already provided it.

You are Jehovah Sabaoth, the Lord of Hosts. No weapon formed against us will prosper because Your angels are continually encamped around us to protect us in all our ways. I command every hex, curse, spell, jinx and negative word spoken against us to fall to the ground and die, never bearing fruit. I break every curse and send it where Jesus appoints it. I bind and rebuke every evil spirit and issue a divine restraining order against the enemy's attacks in Jesus' name. I loose the blessings of God to pour into our lives to be a blessing. Let everything the devil plans against our family now backfire on Him. I decree all things work together for our good because we love You Lord and are called according to Your purposes.

You are Jehovah Rophe (Rapha), our Healer. I plead Jesus' blood as a continual hedge of protection around us and for divine health. I command all fear, sickness and disease, infirmities and every evil spirit, including the fear of premature death, lack and heaviness to depart from our lives now. I call my family the healed by Jesus' stripes and in your name, Jesus! Let creative miracles manifest in us -spirit, soul and body, so we live the entire length and number of our days with vim, vigor and vitality.

You are Jehovah Shalom, our Peace. We abide in You, our secret place. We are the righteous that run into your Name and find protection from all hurt, harm and danger. We are not afraid of pestilences, plagues, viruses or germs because your blood Jesus, protects us. A 1,000 may fall at our side and 10,000 at our right hand, but it will not come near us. Only with our eyes will we behold and see the reward of the wicked because we are hidden in Christ Jesus.

You are Jehovah Gibbor, our God of War Mighty in Battle. As the Lord of the Breakthrough, you go before us to make the crooked places straight and rough areas smooth. You are great and greatly to be praised! Though an enemy should encamp against us, we will not fear for You have not given us a spirit of fear, but a spirit of power, love and a sound mind. We walk in dominion and authority over the enemy calling things that are not as though they were, in Jesus' name.

Thank you for Your favor, Abba Father, that surrounds us like a shield attracting everything we need to be a blessing to others. You have promised us that You will be with us in trouble because we know Your name. I thank you, Father God, that Christ Jesus has already defeated the enemy

and delegated to us His authority to keep the enemy under our feet. Our Lord ALWAYS causes us to triumph by a revelation knowledge of His Word that we execute.

I confess and repent of my sins and transgression and ask you to forgive me. I also confess and repent of my family's sins and transgressions, and for the iniquities of our forefathers going back to the Garden of Eden on both sides of our family. Thank you, Jesus, for washing away all of our sins by your precious blood, including the shame, guilt and condemnation. We are the righteousness of God in Christ Jesus with the covenant right to come boldly before Your throne of grace to make our requests known and to receive your mercy and grace in our time of need.

Thank you, Father God, for Your tender mercies that are new every morning giving us a fresh new beginning when we confess and repent of our sins. In everything we give You thanks for this is your will for us in Christ Jesus. Be glorified in all the earth, oh God! Be forever enthroned upon our hearts and in our minds, so we walk in your perfect peace. Give us a desire to commune and fellowship with You in prayer, thanking and praising and worshiping You in spirit and truth. Increase our appetite to eat Your living Word daily, which sets us free and increases our faith so we walk in victory.

We are strong in You, Lord and in the power of Your might. We keep on our full armor, so we are always prepared to defeat the enemy and pass every test by speaking and acting upon the Word of faith. Great is your faithfulness from the rising of the sun to the going down of the same. We commit ourselves to obeying your will, loving and forgiving one another, working in unity, saving souls, discipling the nations, healing the sick, providing for the needy and setting the captives free.

I decree and declare that my family and I fulfill our divine destiny for your glory, oh God. All honor, glory, praise and adoration belong to You forevermore. Amen and amen.

## A Health & Wholeness Prayer

I thank and praise you, Father God, for this is the day You have made and we will rejoice and be glad in it, not sad in it. You are Jehovah Rophe (Rapha), our Healer. By Jesus' stripes, I command our bodies to be made whole from the top of our heads to the soles of our feet. I command any spirit of sickness and disease and infirmities, including the fear of viruses, bacteria and germs and the fear of death, to depart from our bodies and minds now in Jesus' name. For you have not given us the spirit of fear, but a spirit of power, love and a sound mind. I release the healing anointing and miracle-working power of God into my body and anyone that is sick and command our bodies to be made whole and let new body parts be installed inside of us now, in Jesus' name.

I decree my family and I walk in divine health and wholeness – spirit, soul and body- mind, will and emotions, in Jesus' name. I plead your blood Jesus from the top of our heads to the soles of our feet to seal our healing and health. I am the healed that the enemy tries to make sick, but he cannot because healing is my bread. I take it by faith now in Jesus' name.

Help my family and me to increase our faith by continually hearing and obeying your Word in this area, so we take proper care of ourselves – spirit, soul and body. I decree my family and I prosper and walk in good health because our soul – mind, will and emotions, prospers by faith in Christ Jesus. No virus, germ, sickness or disease or infirmity can touch me because I abide in the secret place of the Most High God, in Jesus' name. Amen and amen!

## Wealth & Provision- Your Covenant Birthright

# A Wealth & Provision Prayer

Father, I thank and praise you for this is the day You have made and we will rejoice and be glad in it. We will not be sad in it. You are Jehovah Jireh, our Provider. You see ahead of time what we need, and You have already provided it, exceedingly and abundantly far over and above all we could ever ask, think, dream or imagine, according to your power working in us.

You are our Source, supplying everything we need as we seek first your kingdom and righteousness. You are our Shepherd and we lack no good thing. We are the seed of Abraham, blessed to be a blessing, by faith in Christ Jesus. As we cheerfully and generously give in obedience to your will, I thank you for causing men to give unto us, good measure, pressed down, shaken together and running over for your glory, so we have more than enough to be a blessing.

I decree wealth and riches remain in our storehouses so that we leave an inheritance to our children's children. Thank you, heavenly Father that Jesus came to give us life and that life more abundantly to the full, till it overflows. I decree You increase me more and more, me and my family to be a blessing advancing your kingdom in these end times, in Jesus' name. Amen and amen!
